“ Aw man. I spent several summers when I was kid working with Soupy at Tupelo Water and Light. I had some of the best times of my life with him. I still laugh thinking about all the stuff we got up to. If I'm being honest he played a huge part in raising me and I'm beyond sad to see that he's gone. I hope you know that I became the writer I always told you I was gonna be. RIP buddy.

“ James or "Soupy" as we all new him was always in a happy mood, telling jokes all the time. I worked with him for over 25 years at Tupelo Water & Light Dept. He was always helping us on jobs around our own houses also. He loved the deer meat we gave him, probably more than we did. Even through his declining health, he had a positive attitude. It is always sad to lose a friend, but comforting that we will see all of them in Heaven.

Our prayers are with his daughter and family.

God Bless,
